

Parent/Guardian, please provide your contact information in case I need to contact you about behavior issues, grade issues, or just because your child is doing great in my class!

Phone Number or Email (whichever is the best form of contact for you)

I am aware of the materials need for this class and I have read the syllabus and understand Mrs. Carson's rules. I'm also aware of where I can find homework assignments and news about what is happening in Drama class.
